## Acute CAG Annual Meeting 2021

Dear all

The Acute CAG partners invite you to participate in the Acute CAG Annual Meeting 2021, 7 June from 1:30 to 4:00 pm.

Due to the Covid restrictions, the meeting will be held as a virtual Teams-meeting.

Researchers from the partner organisations and external stakeholders are all welcome to participate in the meeting.

### **PITCH COMPETITION**

Young researchers, e.g. PhD students, postdocs, and assistant professors, from the partner organisations, can present their research by participating in a pitch competition.

The two best pitchers will receive an award of 5.000 DKK each.

Those who wish to participate in the pitch competition must submit a structured abstract containing no more than 300 words by sending it to e-mail: [henriette.moeller.02@regionh.dk](mailto:henriette.moeller.02@regionh.dk)

The deadline is 10 May.

The assessment committee will soon hereafter announce who has been selected for the pitch competition.

## PROGRAM

- 1:30 pm Introduction, the Acute CAG Governance Team  
Professor Ove Andersen
- 1:40 pm Keynote speaker on suPAR research  
Professor of Internal Medicine, Evangelos J. Giamarellos-Bourboulis
- 2:00 pm The acute patient and the role of senescent cells in ageing  
Senior researcher Jan Nehlin
- 2:20 pm Recapitulation, the Acute CAG Governance Team  
Professor Lene Juel Rasmussen
- 2:30 pm 10 minutes break
- 2:40 pm Pitch competition: Short presentations of Acute CAG research projects
- 3:50 pm Awards for the two best pitches (2 x 5.000 DKK)
- 4:00 pm End of program

Please sign up for the Acute CAG Annual Meeting by sending an e-mail to:  
[henriette.moeller.02@regionh.dk](mailto:henriette.moeller.02@regionh.dk)

The deadline is 1 June 2021.

Participants will receive an e-mail with the Teams-meeting link before the meeting.

Best regards

The Acute CAG assessment committee

Professor Kim Dalhoff  
Copenhagen University Hospital  
Bispebjerg and Frederiksberg

Associate Professor Maria Kristiansen  
Department of Public Health and  
Center for Healthy Aging  
University of Copenhagen
